April 6, 2022

Dear Dormont Foodservice Distributor,

Dormont is continuing to face additional material costs due to ongoing Supply Chain challenges beyond our control coupled with recent increases in labor shortages related to COVID. Unfortunately, these costs leave us with no choice but to implement a price increase.

Our price increase becomes effective May 9, 2022. All orders received on or after this date will be subject to the increase. Orders received prior to this date must be requested to ship on or before July 14, 2022, for current pricing to be honored and held. Any current orders requested to be changed or moved out past July 14, 2022, will be subject to the new pricing.

If you have any negotiated net pricing with Dormont, those nets are also included with this mailing and the new pricing is also effective May 9, 2022. Please note, special net pricing on any part that was not ordered in 2021 has been eliminated and are no longer valid.

Price Books will be available soon. If you would like to receive a copy, a PDF, or excel copy, please email [insidesales@wattwater.com](mailto:insidesales@wattwater.com). After May 9, updated price lists will also be available on the Dormont Website.

We appreciate and thank you for your business and assure you of our commitment to supply you with the highest quality products at competitive prices.

If you have any questions or need further clarification on these changes, please contact your local representative or your contact at Dormont.

Sincerely,

*Gregory C Schurch*

Gregory C. Schurch  
Director, Sales, Gas Business Unit
